Friday, May 4th, **12:00 pm** – 4:00 pm

PLEASE BRING A CART OR DOLLY IF YOU HAVE ONE. It will make things easier for you and the load-in process will be faster.

- 1. Pull up in front of the Expo Building at 4321 Atlantic Ave. Unload right away then move your car. we have over 100 vendors setting up.**
2. Check in at the Bar Area near FRONT ENTRANCE
3. Unload your car QUICKLY so other vendors have room to unload. Once you've unloaded, move your car to one of these areas:
 - a. On Burlinghall Dr. (just South of Atlantic)
 - b. On Linden Street (just West of Atlantic)
 - c. Parking lot on the side of the expo building, the neighbors parking lot.

DO NOT park on Atlantic or in the loading lot. Leave these for customers!

Once you've parked your car, come back and finish your set-up. Staff will be available to assist in watching your belongings while you move your car.

FRIDAY - VENDOR LOAD-OUT

This is for outside booths only. You will need to break down your booths at the end of the event Friday night, even if you are staying for Saturday. There is no security for outside booths. We will provide an area inside the Expo for you to store your items over night.

SATURDAY - VENDOR LOAD-IN AND SET UP

We will open the building at **9AM** for you to start setting up or freshen up your booth.

SATURDAY - VENDOR PARKING AND OPEN TIMES

We will open the building at **9AM** but the event does not open until **11am**. Please park in the same areas listed above to unload then move your car. Remember, if customers can't get near the building, they won't come to the show! If your booth is outside on Saturday, you may park on Atlantic to UNLOAD ONLY.

LOAD-OUT

You may begin packing up and loading up your cars at 5 pm on Saturday. PLEASE DON'T pack up before the show ends. This sends a TERRIBLE message to our customers! Plus, you never know when your last sale will take place! We have a LOT of vendors and cars all moving into the same area at once. Pack up first and THEN move your car for easy load-in. Or, BRING A CART and take your stuff to your car.
